File No. 32CTVM-228-2

March 17, 2026

Tina Beers
Mayor of Five Rivers
82 Main Street
Rexton NB E4W 5N4

Mayor Beers:

The Department of Transportation and Infrastructure (DTI) recently published its 3–Year Capital Investment Plan 2026 Edition (Road Ahead Plan) which outlines how the department plans to build, repair and maintain our province's highways and bridges over the next three years.

I have received your application to the Provincial-Municipal Highway Partnership (PMHP) Program. Regrettably, I am unable to provide project funding to your municipality in **2028** as the funding requests far outweigh the financial resources available for this program.

Sincerely,

Marci Gould, P.Eng
Director of Capital Planning

c.c. Vincent Roussel, District Engineer – Moncton
Hon. Pat Finnigan, Minister of Agriculture, Aquaculture and Fisheries
Municipal Clerk
