Municipality of Five Rivers
82 Main Street
Rexton, NB E1E 4C9
Attention: Rob Webber, CAO

Subject: **Tender results and contract award recommendation**
Five Rivers - Repaving Route 116
Englobe reference: 2636404.000

Mr. Webber:

As discussed, Englobe invited six (6) contractors to submit pricing for the above referenced contract. The following four (4) submissions were received, with the results below, (including 15% HST):

1.	**Modern Construction (1983) Ltd:**	**$ 389,275.00**
2.	MacDonald Paving and Construction Ltd:	$ 427,927.65
3.	Dexter Construction Company Ltd:	$ 443,900.00
4.	LCL Excavation (2006) Inc.:	$ 466,095.00

Englobe verified the tender submissions and found no mathematical errors. The above prices are the official results of this tender.

The engineer's estimate for this contract was $ 389,735.00 including 15% HST; therefore, the low bid by Modern Construction (1983) Ltd. was approximately 0.1 % below the estimate.

Englobe contacted Modern Construction (1983) Ltd. and discussed their bid with them. They are satisfied with their bid price and have confirmed that the materials will be provided in accordance with the specifications. As well, the personnel proposed are well experienced in their field. Englobe has concluded that the low bid is correct and acceptable.

We therefore recommend that this contract be awarded to the low bidder, Modern Construction (1983) Ltd., for the total bid price of $ 389,275.00 including HST at 15%.

A pre-construction meeting will be held to discuss the specific project requirements prior to the start of the work. We will ask the Contractor to provide a project schedule at this time.
