Mayor Beers:

Further to the information sessions regarding the Provincial-Municipal Highway Partnership (PMHP) Program held in February 2025 with local governments, I recognize the need to reduce barriers for local governments and have directed staff to reduce the submission requirements to the PMHP Program.

I am pleased to announce that DTI will now only require 3-year PMHP plan submissions instead of 5-year PMHP plan submissions. I trust that this will support local governments by reducing the amount of time and resources required to prepare submissions for the Program.

I thank you for your continued cooperation and I look forward to continuing to improve the PMHP Program in the future.

Sincerely,

Honourable Chuck Chiasson
