Bonjour,
Je vous partage un courriel de l'Association du Patrimoine du N.-B. au sujet de la célébration des ponts couverts. Vous êtes les trois municipalités dans la région où un pont couvert est bâti. Si vous souhaitez célébrer ce patrimoine, vous pouvez entrer en communication avec Mme Jeffries.
Au plaisir!
Paul

Hello,
I am sharing an e-mail from the Heritage Association of NB regarding the celebration of covered bridges. You are the three municipalities from the region where a covered bridge is built. If you wish to celebrate your built heritage you can communicate with Mrs. Jeffries.
Cheers!
Paul

Hi Paul,

I hope you are doing well! My name is Erin Jeffries, and I am the Executive Director of AHNB. Erin Sweet from Butternut Valley told me you were looking for more information about Love Your Covered Bridges Days. I am happy to fill you in!

You can see some of what we have done in the past here (This page is from 2024, the 2025 details have not been released) : https://ahnb-apnb.ca/covered-bridges/

But essentially, LYCBD is a 10-day long event leading up to the NB Day long weekend that celebrates NB's covered bridges. Events are hosted by groups around the province all week long, and AHNB also runs a photo contest and helps promote. The only requirements of folks who are thinking of hosting events are that they are at a covered bridge, and that it is a safe and fun event! In the past we have had big events held inside bridges with prizes and live music, and we have had peaceful community bbqs and pop-up markets too. It is easy to get involved, so please let me know if you have any interest! Promoting our covered bridges is the event's top priority and I am here to help!

Best,

Erin Jeffries (she|her|elle)
