OVERVIEW

The Municipality of Five Rivers (the “Municipality”) is soliciting proposals from Consulting Engineering firms (the “Respondent”) to provide the Municipality with an asset management plan and a decision-making framework that meets or exceeds the minimum requirements for asset management plans as defined by the Government of New Brunswick. To support the Respondent’s proposal, a copy of GNB’s document called “**Minimum Requirements for Asset Management in Local Governments – Phase 2**” will be provided with this RFP.

ABOUT FIVE RIVERS

The Municipality (shown on right) was founded on Jan 1, 2023, as a result of Local Governance Reform in New Brunswick. It contains the former village of Rexton, as well as all of the former Local Service District (LSD) of Richibucto Parish, as well as parts of the former LSDs of Harcourt and Weldford. The five rivers in Five Rivers are the Richibucto River, Bass River, Molus River, Coal Branch River, and St. Nicholas River.

Five Rivers is in Kent County and has a population of approximately 3500. Five Rivers surrounds the independent First Nation of Elsipogtog, which itself has a population of about 3000. Five Rivers borders Beaurivage to the north, a municipality with more than 4000 residents, and is about 20 kilometers south of Kouchibouguac National Park. Combined, the area’s population exceeds 10,000, a figure that swells in cottage season as the area welcomes seasonal residents, as well as tourists.

PROPOSAL ENQUIRIES

PROPOSAL REQUIREMENTS.

The proposal shall clearly address the following items.

Section	Title	Description
1	Title Page	Reference RFP number and title, the Respondent's company name, mailing address, and tax ID (if applicable), the name and number of the primary contact person, and the date of the proposal.
2	Transmittal Letter	A signed letter briefly stating the Respondent's understanding of services required, the benefits they bring to the project, their commitment to perform the services as requested, and confirmed receipt of all addenda, if applicable.
3	Table of Contents	
4	Executive Summary	
5	Scope of Work	Demonstrate your understanding of the work required. Include assumptions and explanations for services not identified by the Municipality.
6	Methodology & Work Plan	Describe your methodology and provide the related tasks to be completed.
7	Schedule	Provide a basic schedule for the project as well as its tasks.
8	Qualifications	Describe the expertise and experience your firm has to do this work. Describe the staff you will assign to this project.
9	References	Provide a minimum of 2 and a maximum of 3 reference projects that demonstrate your suitability to provide this service. Each reference should contain the title, phone number, and email of a contact person.
10	Cost	Provide the expected cost (class C with 15% to 20% contingency) to complete the project. Cost should specify total estimated Respondent labor hours and any related costs for goods and materials and general expenses.

SCOPE OF WORK

Your proposal will describe the work product that you will offer to provide the Municipality with an asset management plan and a decision-making framework that addresses the Government of New Brunswick's requirements as presented in the document entitled "**Minimum Requirements for Asset Management in Local Governments – Phase 2,**" published in October 2025 by the Department of Environment and Local Government. Your proposal should delineate clearly between the work (the tasks and deliverables) that you will complete and the work you expect the Municipality to complete, with or without your support and direction.

Element	Weight
Methodology, Work Plan, Schedule	25
Qualifications & References	25
Cost	50

GENERAL INSTRUCTIONS

1. The Respondent shall provide three (3) printed copies and one (1) soft/digital copy of the proposal to the Municipality.
2. Printed copies shall be submitted as follows:
 - a. All three shall be placed in one sealed envelope.
 - b. The outside of the sealed envelope shall:
 - i. be marked “Attention: Clerk,”
 - ii. show the RFP ID (RFP-5R-2026-02),
 - iii. show the RFP Title: Phase 2 Asset Management Plan, and
 - iv. show the name and address of the Respondent’s company.

- c. The sealed envelope shall be mailed to: Municipality of Five Rivers, 82 Main Street, Rexton, NB E4W 5N4.
3. The digital copy of your proposal shall be enclosed in a single zip/compressed file and emailed to admin@5-rivers.ca. The subject line of the email shall contain the RFP ID.
4. The envelope containing your printed proposal shall be dated and time-stamped upon receipt by the Clerk.
5. At your discretion, you may add one or more attachments that support your proposal.
6. The Respondent is solely responsible to ensure that the proposal is complete and received before the Closing Date and Time.
7. The Respondent may retract or change its proposal at any time prior to the submission deadline. To retract or change your proposal, you must submit your change request through email (admin@5-rivers.ca) or in person at the office. Change requests made over the phone will not be acknowledged and actioned. The Municipality will confirm that it has received and processed your change request via email. If you have not received confirmation from the Municipality that your change request has been processed, the Municipality will reference your original submission in its evaluation.
8. All figures must be stated in Canadian Funds and exclude all sales taxes.
9. The Clerk will contact all Respondents to convey the results of the evaluation.
10. The Respondent selected as the winner shall be contacted and informed if further negotiation is required.

TERMS AND CONDITIONS

The terms and conditions of this RFP are as follows:

1. The Municipality shall consider all proposals received confidential. The Clerk shall store all proposals (hard and soft copies) in a secure location and shall not open them until the official proposal opening date and time.
2. The Municipality is under **no** obligation to award the contract in whole or in part. If the submitted proposals are deemed to not benefit the Municipality for any reason, the Municipality may, at its sole discretion, reject all proposals, or negotiate further with bid participants.
3. The Municipality reserves the right to change the deadline and/or to cancel or re-issue this RFP at any time before or after closing without providing reasons for such changes.
4. Additional terms and conditions to those listed herein may be incorporated into the contract negotiated with the successful bidder.
5. The Municipality reserves the right to consider suitable proposals received after the submission deadline until a candidate is selected. The Municipality shall not have any legal obligation whatsoever to your company or your organization or any other bidder, unless and until a formal contract has been fully executed and delivered.
6. The Municipality reserves the right to negotiate pricing, value added and other savings opportunities with the successful Respondent at time of award and throughout the contract.

7. The Municipality reserves the right to accept a proposal that is not the lowest cost.
8. A proposal will not be considered if it is deemed to be incomplete in any fashion or unsigned by the appropriate authority.
9. Any proposal received after the date specified will not be considered and will be returned unopened.
10. Any contract entered into as a result of this RFP shall be subject to the laws of the Province of New Brunswick.
11. It is the responsibility of the Respondent to thoroughly examine these documents and satisfy itself as to the full requirements of this RFP.
12. While the Municipality has used considerable effort to ensure an accurate representation of information in this RFP, the information contained herein is supplied solely as a guideline for Respondents. The information is not guaranteed to be accurate, nor is it necessarily comprehensive or exhaustive. The Township will assume no responsibility for any oral information or suggestion(s).
13. Respondents are solely responsible for their own expenses in preparing a response and for subsequent negotiations, if any. If the Municipality elects to reject all responses, it will not be liable to any Respondent for any claims, whether for costs or damages incurred by the Respondent in preparing the response, loss of any anticipated profit in connection with any final contract, or any other matter whatsoever.
14. Except as expressly and specifically permitted in these General Instructions to Respondents, no Respondent shall have any claim for any compensation of any kind whatsoever, as a result of participating in the RFP, and by submitting a proposal each Respondent shall be deemed to have agreed that it has no claim.
15. The Respondent warrants that the Respondent is not employed by the Municipality, nor is an immediate relative of such an employee, if the goods or services to be supplied under this RFP are intended to be supplied to the department in which such employee works.
16. If the Respondent is a company, the Respondent warrants that none of its officers, directors, or employees with authority to bind the company is an immediate relative of employees of the Municipality, if the goods or services to be supplied under this proposal are intended to be supplied to the department in which such employee works.
17. In this section "Immediate Relative" means a spouse, parent, child, brother, sister, brother-in-law, or sister-in-law or a municipal employee.
18. If any director, officer, employee, agent, or other representative of a Respondent makes any representation or solicitation to any mayor, councillor, officer, or employee of the Municipality with respect to their proposal, whether before or after the submission of the proposal, the Municipality shall be entitled to reject or not accept the proposal.
19. The key personnel named in the Respondent's proposal shall remain in these key positions throughout the project. In the event that key personnel leave the firm, or for any unknown reason are unable to continue fulfilling their role, the Respondent must propose a suitable replacement and obtain written consent from the Municipality. Acceptance of the proposed replacement is at the sole discretion of the Municipality.

20. Any and all addendums to this RFP opportunity shall be forwarded to all prospective Respondents. It is the sole responsibility of participants to ensure they have provided accurate contact information to receive all addendums prior to RFP closing.
21. Respondents to this RFP agree to its terms and conditions as issued by the Municipality. Submissions shall not contain any alterations to the posted document other than entering data in the spaces provided or including attachments, as necessary. Participants who alter the document as issued may be disqualified from this competition.
22. The Respondent shall indemnify and save harmless the Municipality and its officials, officers, employees and agents from any claim, lawsuit, liability, debt, demand, loss, or judgment (including costs, defense expense and interest) whatsoever and howsoever arising either directly or indirectly as a result of the granting of this contract or the use of the Municipality's property or facilities.
23. The Respondent shall waive all rights or subrogation or recourse against the Municipality as a result of the granting of this contract or the use of the Municipality's property or facilities.
24. The Respondent shall indemnify and pay the Municipality promptly, on demand for any loss or damage to the Municipality's property and facilities arising either directly or indirectly as a result of the use of the property or facilities under the terms of this contract.

AMENDMENT 1

1. What has previously been completed as part of an Asset Management Program? Is there an existing Asset Management Plan and/or are there associated documents that can be shared to proponents to help narrow the scope of work (and reduce the risk of increased scope/cost of work already completed)?

See answers below.

2. Is there an inventory of assets that can be provided? What assets does the municipality own and operate? (For example, number of buildings, water system, wastewater system, transportation, stormwater).

Yes. However, it needs to be updated and does not contain all of the metadata that the province requires. Appendix 1 contains an extract from our asset master list (we have more data).

3. Have condition assessments been completed in the past for linear (e.g., roads, pipes) or non-linear (e.g., buildings) assets?

Not really. We have done some rough assessments for some of our assets for the purpose of capital planning. In addition, the assessment system we used does not meet the requirements of the province.

4. Has a Climate Adaption Plan been completed? Does the municipality have commitments to GHG reduction?

No plan and no commitments to GHG reduction.

5. Does the municipality currently use software (GIS, AM software) to manage the assets?

No. We only have a list of assets with metadata in MS Excel.
