Message from the Mayor

Dear People of Five Rivers,

If you are like me, you are winter weary and happy that spring is just around the corner. Having said that, the cold and snow we've seen since January have enabled us to enjoy our wonderful winter activities.

Frosty Fest was a big success again this year, it featured outdoor skating, hockey tournaments, curling, soup fests, pool tournaments, dances, markets, and various legion events. Thank you to all who participated in these fun-filled activities.

Council continues to strengthen governance by updating by-laws, policies, the website, and financial administration. We are also introducing a new municipal grant program, updating our 5-year Capitol Plan and reviewing our Strategic Plan.

Five Rivers has conducted two public consultation sessions on the future use of the Rexton Sports and Recreation Centre. We have received over 40 completed suggestion forms from residents with additional input online and at the office in Rexton. Stay tuned for our follow-up report in the coming weeks.

With so much happening on the national stage, with tariffs imposed on us by the United States, it is our aim to support the measures being taken by our provincial and federal governments. Let's support our local businesses, producers, farmers, and industries with our purchasing power. Together we are strongest.

Elbows up and buy Canadian!

All the best to you and yours,

Tina Beers, Mayor
Five Rivers

Updates & Information

Transport Kent

Wheelchair Accessible Van

Transport Kent offers safe and reliable transportation to essential services and necessities at a reasonable cost. To expand and improve the service, a mobility vehicle has been added to cater to the needs of a wider population.

- The rate for transportation is \$0.25/km.
- Transportation reservations must be made at least 2 business days in advance.
